Gemmological Assistant – Luxury Jewellery Retail

Van Deijl Jewellers, Tyger Valley, Bellville

There is an opportunity for a **Gemmologist (or Gemmological student)** to join the **Van Deijl Jewellers** team at Tyger Valley Centre.

At Van Deijl Jewellers, we pride ourselves on craftsmanship, authenticity, and trust. We are looking for an individual with an exceptional eye for detail, a passion for fine gemstones, and an uncompromising commitment to ethical practices and professional integrity with a passion for learning.

Key Responsibilities

- Conduct detailed gem identification, grading, and valuations to the highest professional standards.
- Ensure the authenticity and ethical sourcing of all gemstones, maintaining strict adherence to industry standards and best practices.
- Provide accurate gemstone evaluations and support both sales consultants and clients with gemmological expertise.
- Maintain meticulous records and reports on gemstone assessments and gemstone inventory management.

Key Requirements

Experience & Education

- Recognised gemmological qualification or in the process of studying.
- GIA Graduate Gemologist and/or Graduate Diamonds, Gem-A Gemmology diploma (FGA).

Skills & Personal Qualities

- Exceptional attention to detail and accuracy.
- Strong moral compass with unwavering commitment to integrity and transparency.
- Excellent communication skills, able to explain complex gemmological information clearly to clients.
- Organised, disciplined, and self-motivated.
- Passion for luxury jewellery and fine gemstones.
- Computer proficiency (MS Office and gemmology-related software).

Other Requirements

- Matric/Grade 12 (Tertiary education or science-oriented subjects advantageous).
- Basic chemistry and physics knowledge and a willingness to learn.
- Own transport.

Application Process

If you are a detail-driven professional with a passion for gemstones and an uncompromising sense of ethics, we invite you to apply. Please submit your CV and cover letter to **info@vandeijl.co.za**, highlighting your gemmological qualifications, experience, and references. Short-listed candidates will be contacted. If you do not hear from us within the specified timeframe, please consider your application unsuccessful.
